Offer available to new business customers only. Certain restrictions may apply. Program terms and offers subject to change. Customer must maintain both services for promotional period to maintain promotional pricing. As of the 13th month you will be charged the regular monthly rates of \$49.95 for Optimum Online and \$34.95/line for 1-3 lines Optimum Voice or \$29.95/line for 4-24 lines. Many factors affect speed. Actual speeds may vary and are not guaranteed. Optimum Voice for Business is a cable-modem service exclusively available to Optimum Online for Business customers. Battery backup included. e911 service will not operate if you lose power. If Optimum Voice service is disconnected, e911 service will be disconnected at the same time. If broadband service is disrupted or disconnected, e911 will not function. Customer must notify Cablevision before cable modem is moved to different address in order for e911 to function properly. Other restrictions apply. Cablevision does not support the use of Optimum Voice as a connection for emergency medical alert systems or high security monitoring systems (UL 681 or similar) for any service location. Cablevision does not support the use of Optimum Voice as a connection for fire alarm systems (UL 864 or similar) for service locations in New York City and Pennsylvania. Customer is solely responsible to notify system providers and to test and verify that systems are in good working order following Optimum Voice installation. In the event of a large-scale power outage or network outage (whether unplanned or maintenance related), your Optimum Voice service, including any security system which uses Optimum Voice to connect to central station monitoring, will not function. Contract allowance offer for new business customers only and applies to actual termination fees up to \$500 charged by previous Internet or telephone provider. Customer must submit final bill showing company name and termination fee within 30 days of Optimum installation and W9 form. Allow 8-10 weeks for processing. Other restrictions apply. Not all services may be available in all areas. Pricing, terms and offerings subject to change and discontinuance without notice. Optimum Online customers can enjoy WiFi access in select areas at no additional charge. Terms and conditions apply. Visit optimumwifi.com. 30-day guarantee applicable to new customer installations for recurring service fees and initial installation charges if service is terminated and all equipment is returned within 30 days of install. Upgrades not entitled to the 30-day money-back guarantee. Other restrictions may apply. A digital cable box or CableCARD (at additional monthly charge) is required on each TV for standard digital and HD services. QAM tuners can receive digital Broadcast Basic channels in certain areas & will receive some services on non-standard channel positions. Certain interactive services not available without a digital cable box. Quoted price includes 1 cable box. Channel availability varies by area. Depending on your location, some or all of your service and equipment rates, plus certain additional charges, may be subject to state and local fees of up to 5.25% and an FCC user fee of 9 cents, which will be added to your monthly bill. © 2012 CSC Holdings.
